

THE ELEVATION SERIES

IEP CPD TRAINING

What is the Elevation Series?

- Builds upon the IEP Award in Employability Essentials (formerly known as the IEP Sector Induction).
- Provides options for learners to upgrade their skills.
- Encourages engagement through 90-minute virtual classroom sessions.

IEP BRONZE AWARD IN EMPLOYABILITY ESSENTIALS

21 modules
Included in IEP
membership

The purpose of the IEP Bronze Award in Employability Essentials is to ensure that Practitioners can demonstrate the required levels of knowledge to practice as an employability professional and that they understand key areas of practice.

THE ELEVATION SERIES

These tailored pathways allows each role to go beyond the initial eLearning, Engage in dynamic discussions, share best practice with peers, and refine the approach to elevate performance.

The Practitioner Pathway

Designed for frontline employability professionals.

Includes eight sessions developed from EE modules.
